Adnan Farzand Ali

has successfully completed the online, non-credit Specialization

Certified Business Analysis Professional™ (CBAP®)

This certificate acknowledges that the learner has completed the 'Certified Business Analysis Professional (CBAP) Specialization, demonstrating expertise in requirements management, solution evaluation, stakeholder engagement, and business analysis planning. It qualifies for 35 professional/continuous development units with IIBA®. This specialization prepares the learner for the Certified Business Analysis Professional™ (CBAP®) Exam and does not grant the right to use the title of a Certified Business Analysis Professional or CBAP.

Igor Arkhipov

Certified Business
Analysis Professional
(CBAP) & Coach

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
